

CREATE YOUR ONLINE MARKETING PLAN

We have all heard the buzz using **Twitter**, **Facebook**, and **LinkedIn**.
Are you unsure about how to get started? Or which is best for your business?
To add these tools you can...

Hire a private consultant
and get the advice of an expert,
hands-on training, and a clear plan.
For 10 hours working individually with
a consultant you will pay...

\$750

**Who can afford to spent that kind
of money in this economy?**

Or sign up for the upcoming
Online Marketing Plan Workshop
and get the advice of an expert,
hands-on training, and a clear plan.
For 10 hours of you pay...

\$150

Plus, you get the ideas and advice
of 9 other business owners. That is way
better than 1 overpriced consultant.

Imagine the possibilities!

Classes for August and September are forming now.
